IV. COMMUNICATIONS

A. Reports

1. Superintendent Report – Alan Harris, Ph.D.

Dr. Harris recognized the Cabinet for the exceptional work they’ve done and the time that they’ve put in the last 4 weeks. There has been a great deal of planning and preparation in coordination with the heavy lifters, out teachers, food service, custodial and maintenance staff. What we’ve learned is that each time we reach another hurdle, we reach another, and then another is coming up. We’re trying to engage our people in the solution. Right now the budget is in a great deal of flux from the state. We’re going to build what we believe is the staffing we need to best serve the students based on our best understanding of what the budget is. This will be brought back in May. There is a hold on hiring until we better understand what is happening with the budget. We appreciate the work we are doing with SIM/PBK working on our long range facility plan. Sierra Elementary will be included in the facility needs assessment as part of their work. We are looking forward to getting back to education in a more meaningful way in the weeks ahead.

2. Department Reports

   a. Facilities, Maintenance and Transportation – Craig Barnes, Supervisor

   Mr. Barnes thanked Alan for the car magnets, which everyone appreciated. We have expedited the security at SES.

   b. Business Services – Janelle Bryson, Assistant Superintendent

   Mrs. Bryson reviewed the monthly budget report as well as the 2020-2021 Budget Forecast, both of which can be viewed in the links below.

c. Curriculum and Instruction – Tammy Montgomery, Director
   Mrs. Montgomery reviewed the District Dashboard with the Board and informed them of
   the LCAP status which is in a wait and see mode as to what the state is going to provide
   guidance on. Until then we will follow the original plan.
