A. ACTION ITEM: **Textbook Adoption Request – AP Statistics**
   Sierra High School is requesting updated course materials for AP Statistics. The text is fully aligned and paced appropriately for students to complete the course prior to the AP exam. The text will be offered in print with technology built lessons to support student learning. At the Regular June 13, 2022 Board meeting was the first request to review the materials and input as presented.

B. ACTION ITEM: **Superintendent Evaluation / Contract**
   The Board completed the Superintendent's annual formal evaluation on June 22, 2022 with an outcome of “Satisfactory.” Based on the Satisfactory outcome, the Superintendent is eligible for a step increase (equal to the average of the staff), and a COLA (equal to Certificated staff). The term of the contract is also extended a year, now ending June 30, 2025. These changes to salary and term are reflected in the attached contract addendum.

Motion to approve the contract addendum: Burke: Second: King: 7/0

C. ACTION ITEM: **New Course Proposal – Media Arts**
   The Board is asked to consider the addition of a single pilot course of Media Arts, a concentrator CTE course that will offer students an opportunity to explore and develop basic design principles of visual communication through the use of video, audio, print and web-based platforms. This course will also embed Yearbook, which will add additional skills learned throughout the class. This course request is based on student survey responses that called for a multimedia class. C. **DISCUSSION/ACTION ITEM: Approval of Interfund Transfers – Resolution #02-22/23**

Education Code Section 42603 provides authorization for temporary interfund transfers, at the direction of the District’s Governing Board. In actual practice, these temporary transfers often need to happen on very short notice (e.g., needing a same-day cash transfer to cover an Accounts Payable run or Payroll). The County Office cannot process these without District Board approval.

Motion to approve Resolution #02-22/23: King:  Second:  Burke:  7/0

E. **DISCUSSION ITEM: Resolution #06-22/23 Minimum Fund Balance Policy**

The Board has discussed the need to define agree-to minimum reserves for prudent management in an uncertain fiscal environment. The Board will define those thresholds to complete the proposed resolution.

F. **DISCUSSION ITEM: Board Self-Evaluation Process**

Per Board Bylaw 9400, the Board shall annually perform a self-evaluation. For the past several years, the Board has used the evaluation tool offered through CSBA. The Board agreed to conduct this review in the summer in conjunction with the school year cycle and goal setting. The Board agreed to continue using the CSBA self-evaluation tool, and to dates to complete the questionnaire by the end of July. Results will be reviewed at the August regular meeting. Discussion of results will be held in open session at the August Regular Board Meeting.

G. **DISCUSSION ITEM: Goal Setting for the District and Board**

The Board and Superintendent will update and refine goals for the 2022-2023 school year. Ideally, the Board should agree on 4-6 goals that align with the District’s vision and strategic goals. These goals also provide the basis for annual Superintendent goals. The Board agreed that the Goals will remain the same.
H. **DISCUSSION ITEM: Changes to Board Protocols**

The Board discussed and provided direction on any desired changes to protocol for meetings during the upcoming school year. Items included whether the Board wants to continue to broadcast via Zoom, and whether the Board wants to continue with the two-meeting policy for action items. The Board will move to a one meeting approval cycle, with items posted as action items. Informational items, not in need of action, will be posted as discussion or information. Board policy updates will continue to be approved via summary of changes. Board members should refer to policies online. Meetings will continue to be broadcast on Zoom.
