B. **DISCUSSION/ACTION ITEM: Emergency Contract without Bidding–Resolution #09-20/21**

The Uniform Public Construction Cost Accounting Act was adopted in 1983 to promote uniformity of the cost of accounting standards and bidding procedures on construction work performed or contracted by public entities in the state.

For the purposes of the Public Contract Code, “emergency” is defined at Section 1102 as “a sudden, unexpected occurrence that poses a clear and imminent danger, requiring immediate action to prevent or mitigate the loss or impairment of life, health, property, or essential public services.” The Act sets forth in Sectio 22035(a) how a governing body would proceed in the case of emergency repairs or replacements. This section states, “In cases of emergency when repair or replacements are necessary, the governing body may proceed at once to replace or repair any public facility without adopting plans, specifications, strain sheets, or working details, or giving notice for bids to let contracts. The work may be done by day labor under the direction of the governing body, by contractor, or by a combination of the two.”

The Board must adopt a resolution within 7 days of entrance into an emergency contract, or at its next regularly scheduled meeting which shall be no more than 14 days after the action was taken.
