      The board will discuss closing inactive funds contained within the Sierra Unified School District budget. The following funds have not been utilized in many years and it has been the recommendation of District auditors to close such funds. Recall previous board discussion from early 2018.
      Under consideration for closing:
      1701 Special Reserve for Other than Capital Outlay (balance of $3,581.54)
      2100 Building Fund (balance of $3,974.26)
      3502 County School Facilities Fund (balance of $99.31)
      6700 Self-Insurance Fund (balance of $190.73)
      It is proposed that the revenue contained in the above funds be transferred to fund 4001 (Special Reserve for Capital Outlay Projects, existing balance = $3231.06) for future modernization projects. Total of the resulting set aside to initiate savings for modernization projects would be $11,076.90. Such action requires board resolution.
