   1. Board will consider an administrative proposal to make four changes to current high school graduation requirements:
      1. Increase the mathematics graduation requirement from two to three years. The third year of math would provide students the option of taking Mathematics III or Fundamentals of Mathematics III.
      2. Remove Geography as a freshman requirement and replace it with Career Exploration and Financial Literacy.
      3. Remove All School Write as a graduation requirement. Due to the new standards and their emphasis on written expression, it is no longer needed.
      4. Require all students to complete a Career-Technical Education Pathway and/or meet all requirements for entrance into California State University/University of California, as a condition for graduation.

B. ACTION ITEM: Second Reading of the Memorandum of Understanding between Sierra Unified School District and State Center Community College District (Ireland)

   The agreement clarifies roles and responsibilities of Sierra Unified and State Center for the purposes of a partnership for dual enrollment. In accordance with the agreement, wherein students will be able to earn college credit and credit toward high school graduation for college courses successfully completed by the students. Such courses include those offered wither on the community college campus, online, or at Sierra High School.

   It is requested that the Board approve the Memorandum of Understanding between Sierra Unified School District and State Center Community College District.
C. ACTION ITEM: History Social Science Textbook Adoption – Grades 7-12 (Mitchell)

The history social science adoption process for grades 7-12 has concluded. Grades TK-6 are not adopting this year. The process included the review of six programs for grades 7-12 by the history social science department staff and the instructional coach. Teachers had sample materials to review, including digital access. After an initial review/discussion of the six programs, the list was narrowed down to two, and publisher presentations were arranged. Following presentations, there was discussion by the staff. Staff then completed a final evaluation of the two programs using a rubric. The results of the evaluation were compiled resulting in the recommendation from staff to the Board to proceed with the adoption of Impact by McGraw-Hill Education for the 2018-2019 school year.

The Board is requested to approve the recommendation from staff for the adoption of Impact by McGraw-Hill Education.

D. ACTION ITEM: One-Time Block Grant (Ireland)

In March, 2018, a list of potential projects for the One-Time Block Grant was brought before the Board for discussion, based on January’s preliminary state budget. The level of funding was adjusted in the May Revise. The potential projects have been prioritized.

It is requested that the Board approve the proposal for grant expenditures as compiled by District Leadership.

IX. NEW BUSINESS

A. DISCUSSION ITEM: CSBA Legal Updates to – May 2018 Board Policies (Ireland)

B. ACTION ITEM: Education Protection Account (EPA) Entitlement Spending Plan 2017-2018 Resolution No. 14-17/18 (Mehling)

Added to the California State Budget in 2012-13 was a requirement that each LEA create an EPA set aside account. A total of 20% of the apportionment is to be maintained in the account. Pursuant to Article XIII, Section 36 of the California Constitution, LEA’s are required to determine how the moneys received from the EPA are spent, in an open session of a public meeting. The language requires that funds shall not be used for the salaries and benefits of administrators or any other administrative costs. The total for 2017-2018 is $638,701 which will be spent on teachers’ salaries.

It is recommended that the Governing Board approve Resolution No. 14-17/18.

C. DISCUSSION ITEM: Proposal for Forest Reserve Funding Expenditures (Mitchell)

The Forest Reserve funding is not ongoing funding and as such, should not be used for recurring costs. District Administration proposes to use the funding for the completion of full build out of SUSD Technology.

It is recommended that the Board approve the proposed use of the Forest Reserve funding.
D. DISCUSSION ITEM: 2018 Biennial Notice for Conflict of Interest Codes (Ireland)

The Political Reform Act requires every local government agency to review its conflict of interest code biennially and to submit a notice to its code reviewing body that specifies if the code is accurate, or alternatively, that the code must be amended. Effective January 2018, all Form 700’s filed with the Clerk’s office are to be submitted electronically using the eDisclosure system or require a waiver authorizing the paper Form 700. The model conflict of interest code has been updated to recognize the filing changes and it is recommended that each agency adopt the new model conflict of interest code, customized to your agency, during this biennial review period. The code needs to be properly noticed and adopted by the Board prior to submitting to the code reviewing body (Board of Supervisors) for final approval.

E. DISCUSSION/ACTION ITEM: School Safety Resolution #15-17/18 (Saude)

The Governing Board is elected to serve as steward of the community’s schools and thus plays a critical role in providing safe environments for students and staff. One action to School Boards can take to increase school safety, suggested by the California School Boards Association (CSBA), is to adopt a resolution urging your elected officials to pass legislation that increases school safety. CSBA has prepared a resolution on the issue of school safety – in all its various forms – that includes a call for the U.S. Congress to pass legislation that will reduce the threat of gun violence on school campuses.

It is recommended that the Governing Board approve Resolution No. 15-17/18.

F. DISCUSSION/ACTION ITEM: Full and Fair Funding Resolution #16-17/18 (Saude)

In order to meet the growing needs of California’s 6.2 million public school students and address the financial challenges faced by rising costs, CSBA had developed a Full and Fair Funding Resolution for adoption by its nearly 1,000 member school districts and county offices of education. The resolution highlights the threat that underinvestment in schools poses to our communities and calls on the State to meet its responsibilities to today’s students and to California’s future.

It is recommended that the Governing Board approve Resolution No. 16-17/18.

G. DISCUSSION/ACTION ITEM: SBE Request for Perkins Waiver: Perkins Grant Requirement (Osterberg/Mehling)

Federal Perkins grants require that any district receiving less than $15,000 in allocations for the grant year, form a consortium with other LEA’s to meet the $15,000 minimum. Sierra High School is scheduled to receive approximately $14,368 in Perkins funding for 2018-2019. Rural districts may file a waiver to be excluded from this requirement on the basis that it is not feasible to partner for services with LEA’s not in the nearby area for our students. Sierra High School filed a waiver in 2014, which expires June 30, 2018. Approval of this agenda item would authorize re-applying for that waiver which would cover July 1, 2018 through June 30, 2022. The application would be forwarded to the SBE for consideration at their next meeting. Perkins funding cannot be approved / received until SBE approves any eligible waivers.

It is requested that the Board approve the Perkins Waiver request.
