

SIERRA UNIFIED SCHOOL DISTRICT

September 2020

Dear Community Family and Friends,

The Creek Fire, which started in Big Creek, California on September 4th has continued to devastate and endanger our Sierra mountain families and community. Within the first four days of the fire, 80% of our mountain community had been evacuated with over 1200 students displaced. As of today, the Creek Fire has burned approximately 289,695+ acres with 32% containment.

As many of our students are learning that their homes have been reduced to ash and rubble, the Sierra Jr/Sr High School ASB student leaders are working together to give back to their fellow students through their Acts of Kindness program. Under this program, the students have initiated the 'Dream Bedroom' fundraiser where they are hoping to help each student begin to recreate their lost bedrooms.

All K-12 students enrolled with Big Creek, Pine Ridge, or Sierra Unified at the time of the Creek Fire who lost their primary home will be eligible to participate.

With a goal of gifting all 60+ students their Dream Bedroom, the Sierra ASB student leaders have set the bar high with the intent to raise \$15,000.

We are reaching out to businesses and the community requesting \$25 gift cards for the following or similar establishments: Target, Walmart, Bed, Bath and Beyond, Pottery Barn, Cost Plus, Macy's, or Kohls.

If you would like to make a monetary donation, you may send your donation to:
